Dear Parents and Carers

I would like to welcome you back after the Easter break and I hope you had time to relax. This will be a very busy term, we look forward to our annual International Day/summer fair Yr. 6 residential, and our sports day. There will be a few other events to be announced soon; look out for them.

SATs

The summer term is usually our busiest term due to Year 2 and Year 6 SATs test. We continue to strive for our best results and are confident that we will improve again this year.

School Clubs

We continue to deliver a wrap around service. **Breakfast club** for nursery- year 6 starts from 8am at a cost starting from **£2 per day**; the children receive breakfast and take part in a variety of activities. **Afterschool club** runs from 3.30-5.45pm at a cost starting from **£12.50 per evening** the children are able to take part in different activities like football, art, cooking and many more.

Data Collections

We will send out the data we hold for you next week. We ask that you check that the contact details we hold are accurate and up to date; especially emergency numbers. Let us know if there are any changes to be made. If you have an email address can you make sure we have it on file.

School dinners

The new lunch menu for this term will be out soon. We continue to serve a hot meal for all children. When designing our menu we look at nutrition values and value for money. We will continue to have an equal share of halal and non halal meat and always serve a vegetarian option. Please read through the menu with your child and let the office know if you wish to change your meal plan for the week.

We will continue to encourage children to eat a full school meal. If we see that your child is not eating we will contact you to see if any changes need to be made.

Summer School Uniform

Please remember school uniform is still worn throughout the summer the only changes are that girls can wear red summer dresses and school shorts can be worn by both boys and girls. It can get very hot in the building so it is probably best not to send in jumper.

All uniform items should be labeled clearly;

Remember for the summer term your children may need sunscreen, water and a hat for the really hot days.
