

### Curriculum Coverage

- Follows National Curriculum
- Follows Hackney Spanish Scheme
- Focus on progress and attainment by building on previous learning
- Links to previous year teaching

### Strengths

- Spanish is taught consistently and weekly through key stage 2
- Relationship with Spanish school has begun
- Spanish books are in alignment with the boo policy for the rest of the school.
- Forming a partnership with a secondary school and a link school in Spain.

### Areas for Development

- Introducing Spanish homework
- Developing Spanish oral skills
- Further support for EAL

### Long Term Vision

To ensure children develop linguistic competence, extending their knowledge of how language works.

# Spanish

### Curriculum Drivers

- Communication – lessons provide talk and questioning. Lessons also expose children to developing skills in expressing their feelings and opinions in a modern foreign language.
- Independent and Enquiring Minds – children are exposed to new and diverse cultures promoting curiosity.

### CPD

- Staff attend hackney learning CPD meetings
- Coaching/Modelling lessons

### Supported Learning

- Use of CGP Spanish books
- Spanish working walls
- Hispanic week – an opportunity for children in to explore the Hispanic culture

### Progress

Progress with children is seen in Spanish books, through self-assessment, peer-assessment, teacher marking and teachers mini assessments.

### Attainment

- Teacher assessment (excel spreadsheet)

### Assessment

- Mini unit assessments
